# Biography

Based in Lebanon, established in 1992, EPS is a professional manufacturer of uninterruptible power supplies(UPS), inverter power supplies, AC power stabilizers, electronic transformers and maintenance-free lead acid batteries. It is not only one of the few manufactures that cover a full range of UPS series, but also one of the biggest UPS Manufacturers in Lebanon.

The company provides UPS of the stand-by, high-frequency on-line, line-interactive and inverter series of 100 specifications. Any requirements from all kinds of our customers like re-designing and tailor-making can be met by us. We also welcome orders.
